State Patriotic Chairman

Former Master of the Fourth Degree, Maryland District for four years. Former District Deputy, Past Grand Knight, Past Faithful Navigator, Member of State Membership Team, State Youth Director, State Coats for Kids Chairman and lately, First Lady Linda Trot's Sea Gals Assistant

I have experience including booking hotels and running exemplifications just like state conventions. I was successful in reenergizing the Md. District with patriotic enthusiasm that has benefited our veterans and our first responders and current military. I started the Christmas Cards for the Troops program. My work with the Ellsworth cemetery was recognized by the NAACP, and I was awarded the National Guard Adjutant General of Md. Personal challenge coin for outstanding community service work and selfless dedication.

My catch phrase while I was Master was "Together We Can Make a Difference." I found myself lately saying that we can't fix the entire world overnight, we can start with the little things that make a difference. Let's start by making better husbands, fathers, Catholics and patriots and we will find that we fixed the larger issues along the way. We are the warriors for the Catholic Church, so let's start taking on the small things we can fix on our own and the more we do the more we can make a difference. Working in our communities and our parishes we can, by our Catholic Gentleman actions, lead by example. I would also like to see the Maryland State council become more approachable. Everyone should feel comfortable approaching a state officer and having a friendly conversation, or ask for advice on how to make a program better. I would love to discuss any of the key point that you find important to make the Maryland State council the best resource for your council.
