Worthy Brother Knights:

Are you excited to start the new fraternal year? To prepare you for an outstanding leadership experience, the Maryland State Council is hosting several exciting seminars this summer designed to Engage, Inspire and Mobilize you and your council leaders! The purpose of these seminars is to provide you with actionable information on ways in which you can strengthen your membership efforts, in addition to learning valuable details about our many outstanding Faith in Action (FIA) programs available to councils throughout Maryland.

These seminars are open to all Brother Knights and Ladies. At the Council level, we expect all Grand Knights, Council Membership Directors, and Council Program Directors to attend one of the seminars. Specific program directors are also invited. District Deputies and District Wardens are also expected to attend one of the seminars. Please send alternates if you are unable to attend.

Provided below is information outlining our summer seminars game plan:

Timing: All seminars will begin promptly at 7:30pm and conclude by 9:30pm.

Refreshments: Doors will open at 6:30pm and food and beverages will be available at no cost.

Fun: Door prizes will be awarded during each seminar! Must be present to win!

Attire: Meeting casual (Dress slacks and council polos preferred, **no** t-shirts, tank-tops, shorts, flip-flops)

Ladies Auxiliaries: Presidents and officers are also invited and encouraged to attend.

Concept: Program chairmen from all four Faith in Action teams will be on-site at tables throughout the room sharing details about their programs and answering your questions. Take advantage of this!

Members from the Council Growth Team, including Online Membership, will be in attendance to answer any questions you might have. The State Growth team is available to assist your council in achieving its membership goals. Online membership is expanding in Maryland – attend and have your questions answered. Let's make this year what we know it can be. The team is here to help!

As you might expect, this is a fantastic way for you to engage and inform your council leaders, to put your entire team in a position to experience a break-out year and have a fun time doing it!

Thank you in advance for your leadership and engagement this fraternal year! Begin by filling the rooms at these exciting and informative seminars and discover how you can make the most of this unique opportunity as you "Cry the Gospel with Your Life!"

Vivat Jesus!
