Why should we  
as Knights do  
life programs?

- Defense of the most vulnerable
- Living our lives in the public square
- As knights we are called to be men of action and as men of action, we are called to be men of prayer

*When you think of life programs what comes to mind?*

And there are many more

*Where does your interest as GK of your council lay*

Is your council a strong organizational council?

Think of activities like pregnancy center support:

- Organize fundraisers

- Provide general labor for these centers ex: lawn services, cleaning, provide volunteers look for opportunities

## *Mass for people Special Needs*

A Mass for people with Special Needs is a time to celebrate and embrace those in our community which God has given to us. It is a time to celebrate life in all its aspects

## *Mass for people with Special Needs*

Start off by picking a date and getting the word out to your parish community

Determine who you are going to invite

- Do you have parishioners or members of the council who have or know have special needs
- Contact your Special Olympics committee

## *Pregnancy Center Support*

The Maryland State Council wants to foster a stronger and more effective relationship between pregnancy support centers and the KofC

## *Pregnancy Center Support*

Our goals are not only to provide financial, physical, and emotional support to pregnancy centers, but to also demonstrate the KofC's organizational commitment and support for pro-life activities

# *Silver Rose*

Every year, early March to mid December, the Silver Rose travels from Canada to Mexico.

Every stop, it makes is a new opportunity for Knights to stop and pray with their council, parishioners, and community.

This is an opportunity to reflect and pray for the respect of life.
