

2022 Leadership Seminar

Life Activities

Jose Rivera

Silver Rose

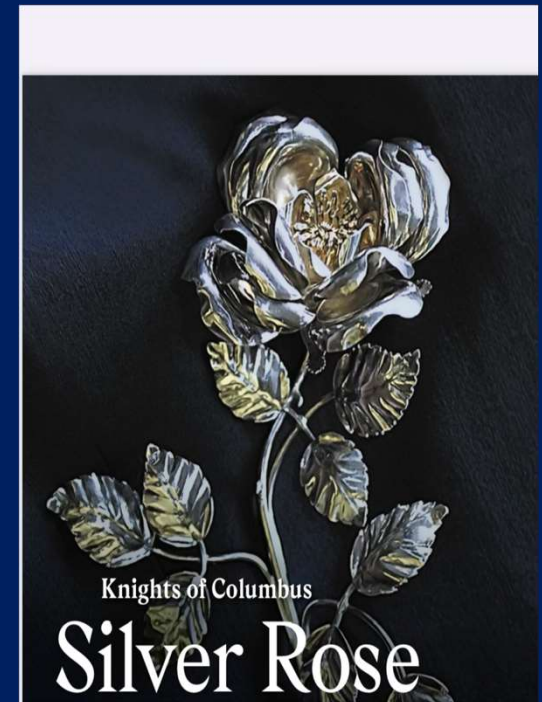

What DD's can do to make sure that the transfer is smooth:

- make sure that the receiving GK knows the date he's picking up
- where he's picking up
- and that he's contacted the transferring GK

DD's should pass this information along to the other councils and assembly(ies) in his district

DD should get exact time and location of service

Ex: Will there be a reception afterwards

March for Life

January 20, 2023

Join us in DC for the National March

The struggle is not over!
DD's should make sure their
councils know this
This is the perfect time to get your
councils ready for the march. Let
them know about all the Novena
for Life, the Asap program,
and the Baby Bottle program

Stay tuned for the
information on
where the Maryland
State Council will
gather on the day of
the National March
