

## The Mother's Day MaryGold Program sponsored by the Knights of Columbus

In an effort to increase the participation of the recipients we will use flower seeds this year to promote life. The seeds, as part of a planting kit, will still be given to the youngest member of the family along with instructions and supplies for planting and nurturing the seedling. Planting and nurturing the seedling will firmly support the message of life as the child can see a concrete example of a life for which he/she is responsible. Each person will receive a "kit" that will include seeds and a pot along with planting instructions, or a seed bloom. This will mean that the message of life will be lived by the recipients for more than just one day. The elements of the kit can be purchased at the following links.

<https://a.co/d/6EGOjEx> <https://a.co/d/ONRsyM7>  
<https://a.co/d/byFPw95> <https://a.co/d/f1Y81IG>.

The seed bloom can be found at <https://a.co/d/2V5vnBL>. This will be more cost-effective for the Councils and promote the message of life more effectively.
