The right to life is a human right. Our defense of that right is a joyful witness to the beauty and dignity of every human person.

The March for Life is an inspiring, peaceful, vibrant, and joy-filled rally of women, men, young people, and children from all across the country – and it's the largest annual human rights demonstration in the world. Every January, tens of thousands of pro-lifers converge in Washington, D.C. and march on Capitol Hill to remember the anniversary of the Supreme Court's 1973 *Roe v. Wade* ruling which legalized abortion in all 50 states. And while the *Dobbs* decision rightly returned the decision to the American people, our work to protect life continues at the state and federal levels. But the March for Life is not just a protest... it is a celebration of each and every life, from the moment of conception. We envision a world where every life is celebrated, valued, and protected.
